

High-Rise Labourer/Site Safety Representative

At Claridge Homes, we are dedicated to quality and craftsmanship without compromise. Located in Ottawa, ON, we pride ourselves on providing a healthy, diverse, and balanced work environment. Working with a team of over 250 Full time employees, top contractors and professionals we have built more than 8,000 Tarion certified homes, 4,000 condominiums and several retirement homes totalling 500 suites. We have grown to become Ottawa's largest land developer because each project we strive to provide maximum value and customer satisfaction.

We are currently seeking Full Time Labourer/Site Safety Representative to join our High-Rise on-site construction team.

Reporting to the Site Superintendent, we are looking for a candidate with the following:

Responsibilities | Site Safety Representative:

- To identify, report and make safe any, and all, safety hazards.
- To document and report all identified safety hazards to the Supervisor.
- To carry out, or direct trades in, required corrective actions.
- To enforce the laws and safety policies and procedures.
- Working cooperatively with and in support of other site trade safety representatives.
- Issuing safety violation notices to non-compliant workers.
- Involving the Supervisor when workers should be dismissed from the work site, unless given the authority by the Supervisor.
- To conduct, and document monthly site safety inspections and Joint Health & Safety Committee meetings.
- To conduct and document safety orientations for trades and occasional laborers.

Skills and Abilities | Labour:

- Be physically fit and able to perform various labour activities around the site as directed by Site Superintendent
- Ability to coordinate multiple tasks in a positive manner as well as having a flexible work style.
- Self-directed with ability to work independently, and with little supervision.
- Punctual, reliable, with an excellent work ethic is paramount
- Must have own vehicle and tools.

Education and Experience:

- High school and completion of specialized technical, safety or business courses.
- Experience in environmental, health and safety work experience as well as residential/commercial construction, renovations or repairs.
- Understanding of emergency management processes.
- Knowledge of and demonstrated proficiency in responsibilities noted above.
- Knowledge of various tools and equipment required to perform the functions of this role.

- Proficiency in English.

We are looking for a self-motivated and strong driven individual that is willing to learn and grow within this family owned company.

Please send applications to: HR@Claridgehomes.com

Closing Date: January 21, 2018

Claridge Homes is committed to being an Equal Opportunity Employer. Please advise in advance if you require any accommodation during the application or selection process. Any information you send us will be handled professionally, respectfully and in complete confidence.

While we thank all candidates for their interest, only those selected for further consideration will be contacted.
